PREFACE

Greetings from Sree Narayana College, Chempazhanthy....

I am happy to place before the SN Trusts, the Annual Report of Sree Narayana College, Chempazhanthy, for the academic year 2019-20. Each annual report is an opportunity for a meaningful reflection on the functioning of the institution as it provides opportunity for self-examination paving way for making new resolutions to lead the organisation to greater and better heights. Sree Narayana College, Chempazhanthy, is situated in a verdant campus of around 30 acres and was formally inaugurated on 20th July 1964 by Sri.R Shankar, the then Chief Minister of Kerala, who was a great visionary and social reformer Kerala has ever seen. The college is providing educational opportunities for students belonging to socially and educationally backward sections of the society and more than 80 percentage of the students belong to economically backward category. The college provides educational opportunity for around 2000 students every year. The college has sustained the momentum of academic advancement in terms of quality and quantity. The year 2019-20 has been a year of progress for our college in many aspects. The smooth and peaceful functioning of the institution is the result of dedicated team work of our teaching faculty members and non-teaching staff for the achievement of our goals. Our aim has been to build up an atmosphere, wherein a student can learn his subjects, do research, play sports and nurture extra curricular activities, and can also involve in rendering selfless service to the society and nation. The college provides the best available student support facilities in a motivating atmosphere for in-depth learning. We were able to secure two ranks in the 2019 University Examinations. Students got placed in various firms on the basis of their academic excellence and technical efficiency. Students of our college exhibited exceptional performance in the University Youth Festival. They excelled in various Inter- University and Inter collegiate sports events. The performance of our NCC and NSS units has been outstanding. The spirit of enthusiasm and intellectual engagement exhibited by them provided a fruitful environment for excellence. Even though these achievements make us proud, we realize that we have miles to go ahead to fulfil the vision of our founder Sri.R. Shankar.

With best wishes

Dr.Jitha.S R (Principal)

Report of the functioning of Sree Narayana College during 2019-20

The classes for the academic year 2019 began on June 3, 2019. A council meeting was held to discuss the plan of action for the year. Academic calendar was prepared and Teacher's work diary was distributed to all teachers like in the previous years.

There are 65 Teaching staff 17 males and 48 females of which 34 possess Ph.D as their highest degree, 26 with M.Phil degree and 19 Post graduates.

Admission to UG and PG courses were carried out as per the online procedure of the University. The student strength for the year was 1875 (596 males and 1279 females) for UG courses and 122 (7 males and 115 females) for PG courses. The first year students of all classes were given an orientation concerning the rules and regulations to be followed in the college and various aspects regarding their course of study during the "Know Your College" programme organized by the IQAC on 7th November 2019.

Smt.Prathibha .P.R, Assistant Professor, Department of History, Smt.Lekha N.B., Assistant Professor, Department of Sociology, and Smt. Rakhee Vishwambaran, Assistant Professor, Department of Political Science submitted Ph.D thesis to University of Kerala this year.

3 students working under the supervision of faculty of our college submitted their PhD thesis this year. Fifteen teachers attended Refresher/Orientation courses

and Short term courses during 2019- 20. Teachers actively engaged in research activities and attended various seminars/workshop.conferences.

Spectrum 2019- 20, the annual academic seminar series of the college was organised from 7th November 2019 to 20th February 2020. All clubs and committees of the college actively functioned during the year. Most of the commemorative days and days of International significance were observed in the college. World Environment Day, National Science Day, World Ozone day, Onam and World Wetlands day were observed with the financial help of KSCSTE. Christmas was celebrated by all teachers and students.

College Union elections were held in the parliamentary mode during 2019-20. Sri.Aswin A.S. Panicker of II B.Sc Geology was elected as the Chairman of the College Union. The College Union actively functioned for the benefit of all students and many programs were organized by the Union in this academic year. The college acted as one of the host institutions in conducting Kerala University Youth festival held in March 2020 with an appreciable

participation from the part of students and teachers of the College. Vinitha VD (IPG) got the first Prize in Tamil Essay writing competition, Sanika Sunil (IInd BA Economics) secured 2nd prize in Kadhaprasangam in Kerala and Gopika S.M (II BSc Psychology) and Nandana Sree Kumar (II B.A Political Science) grabbed the third prize for monoact in the University Youth festival.

We had an abrupt ending to the academic year 2019-20 due to the outspread of Covid-19. The staff and students of Sree Narayana College, Chempazhanthy wholeheartedly followed the lockdown directions of the Central and State Government and dynamically participated in the *Break the Chain* activities. The classrooms turned virtual during the lockdown period, and all the pending portions of the year were completed by the teachers through online teaching/learning platforms. As a part of Covid 19 precautions, the department of Chemistry actively engaged in preparing hand wash and hand sanitizers and as a token of our social responsibility and moral commitment, these products were distributed in nearby schools.

The activities of the NSS volunteers and NCC cadets were commendable and brought wide publicity and recognition to the college in print and electronic media. The NSS unit engaged in realizing organic farming in the campus.

The Principal, the teaching and non-teaching staff as well as the students acknowledge the support received from the Management in the development activities of our college. The academic year 2019-20 was a year of enrichment for both teachers and students of the college, as the year was filled with lot of achievements in curricular and extracurricular aspects. We are looking forward to the new Academic Year 2020-21 with great hope and enthusiasm.

- Smt. Veena C, Assistant Professor, Dept of Economics
- Dr. Sheela RS, Assistant Professor, Dept of Hindi
- Sri. Sujith Prabhakar, Assistant Professor, Dept of Physical Education

Spectrum 2019-20 was inaugurated on 07 November 2019 (the commemoration day of our founder Sri. R. Shankar), by Sri. Kadakampally Surendran, Hon. Minister for Tourism, Cooperation and Devaswom, Govt of Kerala. The ceremony was chaired by Dr. Jitha SR, Principal, Sree Narayana College, Chempazhanthy and was graced by the presence of Dr. K. Padmakumar, Former Pro Vice Chancellor, Kerala University of Fisheries and Ocean Studies, who delivered the Keynote Address.

The thirteen departments in the college (10 offering UG courses and 3 offering UG and PG courses) the two Language departments, the Physical Education Department and the General Library conducted seminars as part of the Spectrum Seminar Series in the time period from 07/11/2019 to 20/02/2020.

The seminars were informative and greatly motivating for the students and opened their vision to a wide realm of knowledge on topics ranging from archeology and culture to climate change and budget analysis. The topics selected by the departments were of contemporary significance and were helpful for progress of students and teachers in their academic, professional and social lives.

The students were given the opportunity to attend seminars conducted by all departments and to present papers related to the seminar topics. This has enhanced their academic quality, communication skills, confidence, assertiveness and other soft skills. It has also brought in a taste of the multi-disciplinary approach in them, which is a quality much emphasized in today's academic and professional scenario.

4. A. Asha & S. Suma, 'Synthesis, characterization and anti cancer study of 2,5-bisbenzylamino-1,4-benzoquinone' Biomedical research: Changing paradigms across time, at Govt College, Kariavattom (Oral Presentation).
5. A. Sheena Mohan, S. Suma, M. R. Sudarsanakumar & M. R. Prathapachandra kurup., presented a paper entitled as "Synthesis, Characterization and Crystal structure of 4-(2,5-dimethoxybenzaldehyde)2, 3-dimethyl-1-phenyl -3-pyrazolin-5-one" at National Seminar on Emerging Frontiers in Materials Chemistry (EFMC-2019) organized by Department of Chemistry, B. J. M. Govt. College, Chavara, Kollam on 28th and 29th November 2019.
6. Swathy Suku & Dr. Reena Ravindran, presented a paper entitled as "Hydrogen-Bonded Organic Framework Of Dipicolic Acid And P-Anisidine" at International

Symposium On Advanced Functional Materials (ISAFM 2018) organised by the PG & Research Department of Chemistry, Mar Ivanios College, Thiruvananthapuram, Kerala on 12 October 2018.

7. Swathy Suku & Dr. Reena Ravindran, presented a paper entitled as “Synthesis And Characterisation Of Schiff Base Of 2-Aminobenzothiazole And Terephthaldehyde And Its Cu(II) And Co(II) Complexes” at National seminar on “Sustainable Chemistry For Advanced Materials” organised by the Department of Chemistry, sponsored by the Directorate of colligative education, Govt. of Kerala on 17th and 18th December 2018 at University College, Thiruvananthapuram, Kerala, India.
8. Swathy Suku & Dr. Reena Ravindran, presented a paper entitled as “Hydrogen Bonded Organic Frameworks Of Pyridine-2,6-Dicarboxylic Acid And Methoxybenzamide And Its Bi(III) Complex” at National seminar “Recent Trends in Chemistry” organised by the Department of Chemistry, Govt. College, Kariavattom, on 5th, 6th, and 7th February 2019 at Govt. College, Kariavattom, Thiruvananthapuram, Kerala.
9. Swathy Suku & Dr. Reena Ravindran, presented a paper entitled as “Synthesis, characterization and antimicrobial study of proton transfer salt of pyridine-2,6-dicarboxylic acid and 1H-benzimidazole-2-amine and its Co(III) complex” at National seminar “Emerging Frontiers in Materials Chemistry {EFMC-2019}” organised by Department of Chemistry B.J.M Government College, Chavara, Kollam on 28th November 2019.

Students Achievements

The curricular, co-curricular and extra-curricular activities of the students were augmented through concerted efforts. Some of the major achievements of the students are listed below:

1. Nandana S. Satheesan and Fathima Seeras.R of M.Sc, won IIIrd Prize in the KUDoCCA Chemistry Quiz Competition (4-KCQC) 2020 held at Mahatma Gandhi College, Thiruvananthapuram on 17th February 2020.
2. Our students bagged III prize in the college level Athapookalam competition.
3. Subin S Darsan, II DC has attended the NSS National Integration camp from 21st Feb to 27th Feb 2020 held at Marian College, Kuttikanam, Idukki.

4. Subin S Darsan and Gouree Krishna of II DC has attended the NSS leadership camp from 14th to 16th November, 2019 at University Students Centre, PMG.
5. Adithya Mohan of II DC has been elected as the Magazine Editor of College Union, 2019-2020.
6. I prize for Vanchipattu, 2nd prize for Mappilapattu male (Adithyan VS) and 3rd prize for Mappilapattu female (Nandana A S), 3rd prize for Naadanpattu for the Arts festival conducted in our college.
7. I prize for 400m running race (Karthika J S), I prize for the 400 m relay (Aysha F, Adithya S V, Sreeparvathy and Amala U S), and Sreeparvathy bagged the I prize for the 100m running race, 200m running race and shotput (female) for the Annual Sports meet held in our college
8. Shirdik A S has bagged the first prize for the presentation held during the Spectrum Seminar series.
9. First year BSc Students exhibited posters for awareness of Laboratory Safety measures on Laboratories of the Department.
10. M.Sc students attended National Conference On Bouquet of Modern Chemistry organized by Department of Polymer Chemistry, Govt. College, Attingal from 23.10.2019 to 25.10.2019.
11. M.SC Students attended a Student Development Programme on CYBER FORENCICS Organized by Department of Computer Applications in association with C-DAC held at Lourdes Matha College of Science and Technology, Kuttichal, Trivandrum on 6.02.2020.

Study Tour

1. M.Sc students visited Sree Chithra Institute, Trivandrum on 6th March 2020. Dr. Bhagavathy accompanied the students.
2. Final year B.Sc students visited Mysore, Belore and Coorg, Travancore Cochin Chemicals Ltd (TCCL), Eloor, Cochin from 29/01/2020 to 02/02/2020. Dr. Haripriya Anand M and Dr. Abhilasha A. accompanied the students.

Events Organized

- Department of Chemistry successfully completed the Evaluation and Impact Analysis of DST-FIST program on 30.07.2019 by DST-FIST impact analysis Team, Southern Region.
- Ozone day was celebrated on 23.10.2018. Poster display competition and Video presentation were organized by the Department.
- Spectrum Seminar was conducted on 12/02/2020, funded by PTA. Dr. Rakhi Rakhavan Baby, UGC Asst Professor and Ramanujan Fellow, Dept of Physics, Kerala University inaugurated and Dr. Rakhi delivered a talk on “Sustainable Energy”. A Presentation competition on “Sustainable Plastics-the role of chemistry” was organized for the students.
- National level quiz competition Rasathanthra 2019 organized by the Dept. of Chemistry, University of Kerala, Kariyavattom Campus on 7/12/2019.
- As part of Covid 19 precautions, the department was actively engaged in preparing the hand wash and the hand sanitizer. As our social responsibility, these were distributed to nearby schools.

- Dr. Vidia Panicker participated in one-day training programme on “Efficient use of energy and electrical safety in residences” on November 19, 2019, at Energy Management Centre, organized by the Department of Power, Govt. of Kerala, supported by NITCAA, Trivandrum chapter
- Dr. Vidia Panicker attended two-day National Seminar on “Climate change, biodiversity conservation and sustainable development – challenges and prospects in 21st century” on January 24-25, 2020, organized by Dept. of Zoology, Mahatma Gandhi College, Trivandrum, supported by Directorate of Environment and Climate Change, Govt. of Kerala
- Dr. Regi S R attended the National level “Faculty Orientation Program for Students – Training of Trainers” organized by UGC from May 5 to June 1, 2019, at Indian Institute of Science, Bangalore
- Dr. Regi S R participated in International Workshop on “Experimental learning with Indian Educators on marine debris and its management” from June 11 to 15, 2019, organized jointly by Hartford University, US and University of Kerala, at Dept. of Environmental Studies, University of Kerala, Trivandrum
- Dr. Regi S R participated in “The Sentence – English Writing Workshop” on January 28, 2020, organized as part of Mathrubhumi International Festival of Letters, at Trivandrum

- Dr. Regi S. R. attended National Seminar on “Climate change, biodiversity conservation and sustainable development – challenges and prospects in 21st century” on January 25, 2020, organized by Dept. of Zoology, Mahatma Gandhi College, Trivandrum, supported by Directorate of Environment and Climate Change, Govt. of Kerala
- Dr. Swapna S. attended Special Winter School (equivalent to Refresher Course) from 05.12.2019 to 18.12.2019, organized by the UGC-Human Resource Development Centre, University of Kerala

Events organised by the Department during 2017-18

- The World Environment Day was observed in the college on June 6, 2019, by the Department of Zoology, by swearing a mass pledge by the students and staff of the Department for playing their part in conservation of our environment. A quiz competition was also organized
- A lecture cum documentary screening on “*Ecological importance of Amphibians*” was organized on September 4, 2019, by Dr. Regi S R, Assistant Professor, Dept. of Zoology
- Ayana Surendran, alumnus of the Department, conducted an awareness programme for students of the department on the topic “Climate change – causes and impact” on January 31, 2020
- The Department very actively participated in the Onam and Christmas celebrations in the College
- A field trip/study tour was arranged for Final Year B.Sc. students from February 3 to 8, 2020, to Coorg, Belur and Uduppi
- The Dept. of Zoology became part of the annual R. Sankar memorial Spectrum seminar series this year also by arranging an invited talk and student presentations on February 17, 2020. The special lecture was rendered by Sri. Bharath Govind G. S., CEO, Climatehood Foundation, Trivandrum, on the topic “*Climate Action and Youth.*” Nine students presented papers on subjects of interest on contemporary biological sciences
- An interactive session was organized for First year B.Sc. Zoology students by Ayana Surendran, alumnus of the Department, on the topic – “*Invertebrate and Vertebrate Taxonomy and Classification*”

- The staff and students of the Department wholeheartedly participated in all the curricular and extracurricular activities of the college during the academic year, including Arts Festival, Sports Day and College Day

Student Achievements

- The pass percentage for the 2014-17 batch students at par with the University average for the subject of 55%. The Department realizes that the pass percentage is not up to the mark, but it is a good sign that the pass percentages are increasing consistently, which reflects the dedicated effort taken in concert by the teachers and students Two students secured A-grade
- Two students of the 2016-19 batch got admission to **PG courses** in various institutions and 6 students got admitted to B.Ed. courses
- Praveena R. P. of III year B.Sc. Zoology participated and won First prize for essay writing competition held as part of “Science Temper – 2020” – National Science Day 2020 celebrations, by Science Club and Dept. of Physics, SN College, Chempazhanthy on February 27, 2020
- Aleena S. Mohan of III year B.Sc. Zoology bagged First prize in Seminar competition as part of Spectrum 2019-20 .
- Arya S. B. of II year B.Sc. Zoology bagged second prize in Seminar competition as part of Spectrum 2019-20
- Aiswarya K. of II year B.Sc. Zoology bagged first prize in value-based essay writing competition conducted by Sri Sathya Sai Seva Organisation, Trivandrum district. Diya S. of II year B.Sc. Zoology got the second prize.
- Arya S. B. of II year B.Sc. Zoology bagged second prize in Sri. Kilimanoor Remakanthan memorial recitation competition
- Adithya S. of I year B.Sc. Zoology got second prize in Violin-solo in the College Arts Festival
- Hamda Najeeb of I year B.Sc. Zoology got second prize in Mappila Pattu competition in the College Arts Festival
- Adithya S and Hamda Najeeb were in the team which bagged first prize for group song in College Arts Festival
- Nandhana S and Harijith V S of I year B.Sc. Zoology participated in the prestigious *Mathrubhumi* “*Speak for India*” programme

- Rahi S. of I year B.Sc. Zoology bagged second prize in 400m race in College Sports Meet
- The department choir (Nandhana S., Nikhila Anand and Ardra M. G. – I B.Sc.) got first prize in the folk song (*naadan pattu*) competition held as part of Onam celebrations in the college
- Adithya S. and Kavya K. (I B.Sc. Zoology) bagged first prize in Onappattu competition held as part of Onam celebrations in the college
- Adithya S. and Nandhana S. (I B.Sc. Zoology) bagged third prize in Vanchippattu competition held as part of Onam celebrations in the college
- Kavya K. and Sreelekshmi A S of I year B.Sc. Zoology got first prize in Group Song during Christmas celebrations
- The department team bagged second prize in *Athapookkalam* competition and second prize in Christmas crib making competition
- The classrooms turned virtual during the lockdown period, and all the pending portions for the year were covered by teachers through online teaching/learning platforms.

Achievement of Faculty

- Department of Geology in collaboration with state ground water Department Thiruvananthapuram conducted a workshop on “Role of ground water department in conservation of ground water resources”. On 19-10-2019..Dr. G. Bindu, Senior

Hydrologist and District Officer State Ground Water Board had delivered informative talk on the topic. In connection with workshop department of Geology had organized a competition on the topic CLIMATIC CHANGE AND ITS ENVIRONMENTAL ISSUES. A paper presentation contest was also conducted. Dhanush.D of Political Science department grabbed the first prize.

- As part of ‘R Sankar Memorial Spectrum Seminar Series 2019-2020’, a talk on ‘Geology and Mineral resources of Kerala’ was given by the invited guest Dr. Frincy Rajalakshmi, for the seminar conducted by the department of Geology on 14th January 2020. The following students also gave presentations on various topics
- Arjun Biju , 3rd DC Geology on the topic: ‘Plate Boundaries’
- Akash R S, 2nd DC Geology on the topic: ‘Gem stones’
- Lakshmi A R, 2nd DC Geology on the topic: ‘Uses of Minerals’
- Arun Krishna B M, 1st DC Geology on the topic: ‘Land slides’
- Meekhal Saji, 1st DC Geology on the topic: ‘Climate Changes’

Lakshmi A R’s presentation was selected as the best presentation and second position was secured by Akash R S

Workshops and Seminars attended by students

- Swathy S, Bhagya santhosh S P, Bibin Raj R, Vaibhav H of 5th semester B.Sc Geology attended Third National workshop on Petrology, ‘Petros (Third workshop) 2019’ organized by Department of Geology, University of Kerala from Nov 19 to Nov 21-2019.
- Gayathri S.J, Manjima J and Ajith S of 6th semester B.Sc Geology attended workshop on ‘Field Techniques in Geological mapping’ organized by Department of Geology, University of Kerala from 16-1-2020 to 18-1-2020.
- Students of Department of Geology attended the National Seminar titled “ Early Earth and Meteorite Impact” conducted by Department of Geology, University of Kerala and Kerala State Science and Technology Museum on 28.01.2020. Students of Department of Geology attended the National Seminar titled “Meteorites: Rocks and Minerals from Outer Space” conducted by Department of Geology, University of Kerala and Kerala State Science and Technology Museum on 21.02.2020.

Project work

- As part of project work, team of 6th semester students (15 students) visited Varkala and Pozhikara on 01-12-2019
- As part of project work, team of 6th semester students (17 students) visited in Vellayani lake, and Karamana river on 03-12-2019
- **Field Work**
- From 19th to 23rd December 2019, 31 final year students of geology department went for a field study programme as part of their B.Sc Geology course. The field study of areas covering Kattakada, Putteti , Pinekulam, Ambasamudram, and Rameshwaram in Kerala and Tamil Nadu, was conducted

Student Achievements

- Veena M C of (2018-2019) batch had secure First position on Kerala University.
- Swathy S of (2019-2020) batch had successfully completed the summer research fellowship during period (April 25 – 20 June2019) on the project entitled “Groundwater systems in different Geological formations and its recent development” under the guidance of Dr. Shakeel Ahmed.
- Bibin Raj R of 3rd year and Akhil Ajay of 2nd year participated and selected in to the grand finale in the National level quiz conducted at chempazhanthy college organized by Indian association for hydrogen energy and advanced materials,Post graduate and Research department of chemistry,S N college Chempazhanthy.
- Pavithra Saji, Jithin J R, Ardra Gopinath, Archa R J, Of first year Gayathri D B , Abhilekshmi S , Deepthi Kalisther,of Second year and Nandhana K C, Avani D, Govind M R of third year had participated in vanchipattu competition conducted at SN College Chempazhanthy Organized by Collage union related with Onam celebration on 5th September 2019 and won first prize.
- Department of geology had secured second prize in Crib making Competition conducted at S N College chempazhanthy Organised by College union related with Christmas celebration on 20th December 2019.
- Jithin J R(I B.Sc Geology) has awarded as the Best Singer of S N College Chempazhanthy in the year 2019.
- Akhil Ajay(II B.Sc Geology) become block level Winnerin the“Speak for India” held at S N College Chempazhanthy Elecution competition conducted by Department of Malayalam had secured first Prize by Akhil Ajay.

- In the Malayalam Elecution Competition conducted by Gurukulam Chempazhanthy Akhil Ajay(II B.Sc Geology) has Secured second prize..
- Akhil Ajay (II B.Sc Geology) have secured first prize in Elecution English, Malayalam, and essay writing Malayalam Conducted by Sivagiri Warkalli Akhil Ajay has secured First prize in all Items
- In the elocution competition conducted by Malayalam Department on behalf of mother toungue day Akhil Ajay (II Geology) has secured First prize.
- Akhil Ajay and Gopika S Sof li B.Sc Geology had participated in Independence day quiz conducted by the Department of History.
- Gayathri. S. J, Bibin Raj, Swathy. S and Nandana K. Kannan of III B.Sc Geology secured Silver Jubilee Scholarship.
- Swathy. S. of Iii B.Sc Geology secured INSPIRE Scholarship.
- Abhiram K Sureshof II B.Sc Geology had participated and secured second prize in spot photography competition conducted by Department of Economics Kariyavattom campus.
- Abhiram K Suresh (III B.Sc Geology)had participated and secured first prize in spot photography competition conducted by “ Asian school of Business” in part of their Annual fest “ Constello 4.0”

- First PTA meeting of S1 students was held on 08-07-2019 – the starting day. An orientation about the course, its structure and the college was given to both the

students and parents. Conducted the class PTA meeting of III DC (S5) students on 11-11-2019 at 10.30 am and that of S6 was conducted on 30-01-2020 at 12 noon

- The department has been convening regular DLMC meeting for all semesters. Convenor of the committee is Prof. Shibu S. Four meetings were conducted during this period to discuss the academic and general matters of all students in the department. The committee did the online enrolment and semester registration of the I semester students. The CE marks of other students were uploaded to University in time.
- In connection with the National Science Day celebrations we organised and celebrated “Science day” on 27th and 28th February in association with Science Club. The science club in association with Physics department celebrated National Science Day 2020 by two day programmes named “SCIENTIFIC TEMPER 2020” on 27th and 28th February 2020. It was a grant function organized by Science club and Physics department. The focal theme was “Women in Science”. The two day programmes included an invited talk and an Essay writing competition.
- In memory of Shri. R. Sankar, the founder of S. N. College, we organised and conducted “Spectrum Seminar Series” on 10-1-2020. Dr. Sreenadh S, Assistant Professor, B J M College, Chavara delivered a lecture on “*The science of Metamaterials and Invisibility*”. An orientation class was given to final year students on Different Computer Courses by Network Systems Pvt.Ltd. In association with Debate club and Kerala State Electricity Board we conducted a Power Quiz on at 2pm.

Achievements of Faculty

- Smt. Jayasree K, Assistant Professor of this Department participated in an Orientation Programme organized by UGC – HRDC, University of Kerala.
- Smt Veena V S participated in a short term course organized by UGC - HRDC, University of Kerala.
- Smt Manu K B of our department presented a paper in an International Seminar Organized by M G College, Thiruvananthapuram. All our teachers participated in different National Seminars organized by various institution

Student Achievements

Students of our department participated in Spectrum seminar series and several programmes in connection with college Union Arts festival. Our III DC student Ms. Revathi S R got first prize in Essay writing competition conducted by Botany Department. Ms. Ashima S A and Mr. Vishnu Rajan of III DC got I prize in College level Power quiz competition. They also participated in the District level competition. Simi M S of III DC student got III rd prize in Essay writing competition conducted by Science club. Our football team reached the Semi finals in the Sports day organized by Our College. In connection with Onam celebration our students participated in ‘Athappookala Malsaram’, ‘Uriyadi Malsaram’, ‘Nadan Pattu’ etc. We celebrated Christmas and New Year with several programmes such as ‘Christmas Crib making competition’, ‘Carol song competition’ etc..

Tour Programme:

A tour programme was organized by our department for S6 students from 31-01-2020 to 03-02-2020 to Coorg, Belur and Wonder la. They visited the scientific institution C- MAT at Thrissur. The various research studies especially aerosol was explained by the Scientists of the institution.

Cultural Programme:

The Kerala University Union Youth festival was held in our college from 02-03-2020 to 07-03-2020. This was the first time in the history of our College and University of Kerala that the same was hosted by S N College Chempazhanthy. Students from our department participated in ‘Vattapattu ‘and ‘Vanchipattu’ competitions.

CRISIS due to COVID-19:

First time in the history of the College/State/Country the educational institutions were closed from 10-03-2020 to 31-03-2020 due to Corona virus attack. This was followed by so many practical difficulties for the smooth conduction of the academic activities. Even though the college remains closed, the teachers came to the College and conducted all the activities suggested by Director of Collegiate Education, University of Kerala and the Principal.

GENERAL LIBRARY

Librarian (Dr.Jinu S Rajan)

Stock Verification and book purchase

Stock verification was conducted by newly appointed Librarian (UGC) in Library and the report was submitted on June 2019. Twenty two books were found to be missing and it was reported to concerned authority to write off those books as per circulation statistics. Sree Narayana College has a collection of 38505 printed books including 1075 reference books. Library purchased 647 books in various subjects in 2019 including 16 Malayalam books, 23 books in Hindi, 9 books in Chemistry, 2 in Zoology, 7 in Botany, 10 books in Economics, Political Science, Statistics and Geology, 11 in Sociology, History and commerce, 13 in Physical Education, 13 in Physics, 9 in Psychology, 6 in Mathematics and 15 in English.

All the books were entered in accession register and processed physically by pasting book pocket, barcode label, spine label and entered accession number in desired places. Prior to the

books were issued to students on manual register system. The Library is already installed with Libsoft software. From September 23rd onwards General Library is shifted to fully automated issue return system. On first week of December, 2019 Library installed Koha software. Koha is a fully featured, scalable library management system. Development is sponsored by libraries of varying types and sizes, volunteers, and support companies worldwide. Koha is installed in General library by Texicon Software Solutions, including installation, customization, data migration and training. From first week of December onwards library is working on KOHA software. Next portion of this report contain brief description on various programmes organized by general library

Book Exhibition

The Jnanpith Award is an Indian literary award presented annually by the Bharatiya Jnanpith to an author for their "outstanding contribution towards literature". Instituted in 1961, the award is bestowed only on Indian writers writing in Indian languages. The award was given to the authors for their "most outstanding work". The first recipient of the award was the Malayalam writer G. Sankara Kurup who received the award in 1965 for his collection of poems, Odakkuzhal. In 2019, Janapeedam puraskaram was awarded to Akkitham Achuthan Namboothiri. In association with this occasion, general library of Sree Narayana College, Chempazhanthy decided to organize an exhibition of books authored by six General Library of Sree Narayana College Chempazhanthy organized an exhibition of books authored by six Jnanapeedam award winners in Malayalam. The writers are G. Sankara Kurup (1965), S. K. Pottekkatt (1980), Thakazhi Sivasankara Pillai(1984), M. T. Vasudevan Nair (1995), O. N. V. Kurup (2007) & Akkitham Achuthan Namboothiri (2019). The exhibition is decided to conducted from 3rd December 2019 to 5th December 2019.

The exhibition was decided conducted at the reading room of General Library. Books authored by those writers were collected from the stack room and arranged them on the tables prepared for exhibition at the reading room. Complete list of books of each authors were also exhibited at the respective places.

The exhibition was inaugurated by our Principal on 3rd December 2019. A large number of Students from all departments visited the exhibition. Teaching and non-teaching staffs also visited. Students expressed their gratitude for arranging this exhibition. All of them appreciated this activity and they all expressed their wish to conduct these types of activities again.

On the third day of exhibition a group of students from Sree Narayana Gurukulam Higher Secondary School visited the library with their teachers. Librarian gave a brief explanation to students on account of this exhibition. All of them expressed their thanks for providing permission to visit it. Suggestions from students and teachers were collected.

Library Orientation

Library orientation classes were conducted to first semester degree and PG students of various departments. The aim of orientation programme is to impart information literacy skills to students to find and use desired information in a proper manner. The Librarian Dr. Jinu S. 4. Planning Forum

Planning forum is one of the Mandatory clubs in the academic year 2019-2020. 4 faculty members and 44 students from various disciplines were part of this club. The executive members' first meeting was on 29-01-2020. In that meeting we discussed about our future plans. On 30-01-2020 we have arranged a meeting with the student members to discuss about the activities of the club. In this general body we discussed about the idea of conducting an essay writing competition at the college level.

On 19-02-2020 we have conducted the essay writing competition in the afternoon on the topic “Globalization and its impact on Indian Economy”. The response from the students were very good. It was a tight competition. All the students wrote very well. After a thorough evaluation we found two students among them in the first and second position. Remya.R from sixth semester Economics got first position and Malavika.D.S from fourth semester Economics got second position.

We have conducted a meeting on 25-02-2020 for our club faculties to discuss about the official inauguration of the club. In that meeting we have decided to arrange an invited talk for the students of our college. Also we have arranged a prize distribution to the winning students in the essay writing competition.

The official inauguration of the club was on 2nd March 2020. Prof.Dr.Suresh.R, Professor of the Department of Political Science, University of Kerala, Kariavattom, Thiruvananthapuram was our Chief Guest. He was also the resource person for the invited talk. In the weekly meeting student members were discussed with the various spheres of occupations in our society. And also the Members of Peoples Planning Forum discussed with the impact of deterioration of moral values in our society.

6. Tourism Club

The Tourism club activities for the academic year 2019-2020 was started off informally on 6th November 2020. The Club focussed largely on ‘Heritage Tourism’ in India, particularly of Kerala. Intermittent lectures for the target group comprising the second MA History students were conducted .The target group was selected with an emphasis on scope of ‘Heritage and Pilgrimage Tourism’ in securing employment. The target group selected

comprised the immediate passing out batch , in order to give them a first-hand notion on the scope and initiatives of Tourism sector. Since Tourism is much connected to history and heritage, the opportunity for history students as entrepreneurs, guides, tour packages, resort assistants and in allied sectors are wide-ranging. Students of History and Commerce are best suited for the Tourism sector and are of high demand. The selected students were encouraged to visit heritage sites and other tourism sites for an immediate knowledge on its precincts, heritage, culture and job situations of the locale. They were also instructed to find out the less -trodden areas for tourism development and share their inputs for its development. Accordingly, they visited Chitharal, Anjengo Fort, Madavoor Para, Vellayani Lake and Vellayani Palace, Tamburan Para, Vallanikal Para etc., Their inferences were prone to discussions and scope of jobs in these arenas was sought out. A ‘PERCIVE & PERSUE ‘approach was adopted to inculcate principles of Tourism among the students.Previous year’s proposal of holding job-oriented training (on experimental basis) was thus partially fulfilled and looks forward to an all-inclusive training session involving resource person from tourism and management fields .

The Tourism club is formulating a comprehensive action plan in association with the Institute of Labour and Management, Thiruvananthapuram, for providing Job-oriented training to the students at large. The Club proposes to publish a bi-annual Newsletter namely ‘*Deshaadanam*’ incorporating the developments in Tourism sector across India and write-ups of students, with emphasis on Kerala Tourism. It also envisions conducting an ‘International Tourism Conclave’ in the forthcoming academic year, ensuring the participation of National and International dignitaries, in association with the Tourism Department of the Government of Kerala.

However, the lack of ample funds is an impediment for a far –reaching initiative in Tourism Club related activities, for the Tourism sector is a source of innumerable opportunities for newer start-ups and self-employment near future.

SCHOLAR SUPPORT PROGRAMME

The Scholar Support Programme has been implemented by "New Initiatives in Higher Education Initiated by the Department of Higher education, Government of Kerala. SSP programme aims at imparting personalised academic support to needy students through tutorials, study materials, additional lectures, interactive sessions, and formation of quality circles in colleges for the programme, dissemination of classes through personal and Web based modes etc. The Government of Kerala had launched the Scholar support programme (SSP) in Aided Arts and Science College during 2013-2014.

The Programme started in our college during the academic year 2013-2014. The College successfully implemented the programme during the academic years 2014-2015, 2015-2016, 2016-2017, 2018-2019 etc. The programme successfully completed in the academic year 2019-2020 also. Both faculties and students provide their whole hearted support for the successful implementation. As per the direction from the Office Of the New Initiatives, the college council selected a college level co-ordinator for the SSP programme. The scheme has been discussed in the college council and amongst faculty members. A college level monitoring committee shall be appointed by the college council. Following members are in the monitoring committee.

Sl.no	Name	Designation
1	Dr.Jitha S.r	Principal
2.	Dr.Raakhee A.S	Asst.Prof in Psychology, IQAC Coordinator
3..	Sri Ashoka Kumar V	Office Superintendent
4.	Dr. R.Biju	Asst.Prof in Chemistry, PTA Secretary

External Mentoring Classes

External mentoring classes were provided in areas like Learning Skills, Personal Growth, English Language Skills etc. Six classes (each of 1 hour duration) for learning skill and four classes for personal growth were provided. Dr. Aravind Thampi (Assistant professor in Psychology) and Dr. Raakhee A.S (Assistant Professor in Psychology) were the external mentors. 20 hours of ASAP Language classes were provided. Sri. Vishnu J Mohan from ASAP was the external mentor. Feedback for each external mentoring class and internal mentoring class were collected from students.

WALK WITH THE SCHOLAR PROGRAMME

WWS program at SN College Chempazhanthy is being conducted with three batches of students. It has been continuing successfully since its inception in the university system. We began some of the highly successful programs – theatre workshops, two news letters one in Malayalam and two in English and so on. During the year 2019-20 WWS program is being spearheaded by Ms Lakshmi AJ, Asst. Prof, Department of Commerce. The program has a total of 15 mentors who were selected after circulating a consent form among the members of the faculty. This democratic process was to ensure that mentors are truly committed to the programme.

Mentees were selected after a careful screening process that happened at two levels. Class tutors were asked to give a list and students were then asked to go through a screening process. Final selection was done after this rigorous process to ensure that the best of the candidates get the opportunity to be part of the process.

Mentor –Mentee interaction is ensured and an informal meeting schedule is maintained. External mentors were selected after discussion with the mentees. There were

brainstorming sessions with the mentees to design a plan of action for the year ahead. It was decided to conduct the following programs.

External mentoring sessions are conducted as per the guidelines provided by the NewInitiative. External mentoring sessions began with session on 03/12/2019, by Mr Nidhinraj P, an IPS trainee on Goal Setting . The session was very motivating for the students. The next session was by Dr. Manu Ramakant who is an academic who is known among his students for his passion for craft of writing. He took sessions for both first year mentees on14/12/2019 and second year mentees on11/01/2020 on How to read and review books.

The very same day there was a session on Understanding the Constitution by Adv. Shanmughan D Jayan for the first year mentees. The session focused on providing the basic concept of constitutions and the rights available to the citizens. The next session was on 04/01/2020 by Smitha Ambu on the art of self development through theatre activities. It was really a very interesting and interactive session. She has divided the students into different groups and made them perform and also made suggestions. This helped the students become better equipped at communication and body imaging.

On the very same day there was a session by Dr. Sreevalsam Gopinath, a postdoctoral fellow, who is an expert in the field of research in collaboration with Dr Reddeys. By his session the students could make a clear picture in the field of medicines and research going on in that area.

Another session on Soft Skills were taken by Dr. Nair Anup on 11/01/2020. This was also an interactive session, students were given themes and divided them in to groups and they performed in English. This session on verbal and non verbal communication was very fruitful for the students.

On 18/01/2020, Dr. Lakshmi Priya took a session on Gender sensitisation. The students shared their view points and clarified their ideologies.

The next session for first year mentees was on 01/02/2020 by Dr. Anil KumarNair of ICCONS (Institute for Communicative and Cognitive Neuro Sciences), on self awareness. Another session which took place on the same day was by Dr Antony Palackal, to give proper awareness on scientific research. This was also a very fruitful session for the Mentees.

The next session focused on being socially responsible individuals and also to develop social leadership skills for the First year mentees and a session on Environmental aspects for the second year mentees was lead by Smt. Daya Bai the renowned Social Activist on 17th February 2020. Mentees had several informal group sessions where they were encouraged to

come up with new ideas about programmes to be conducted for them as well as programs which will help inculcate qualities of leadership in them.

Internal mentoring happened at three levels, as a formal big group, as smaller mentor-mentee formal groups and informal small groups. Formal big group meetings were held with most of the mentors and mentees present, along with the coordinator. Formal mentor-mentee meetings were conducted and discussions done on improving their social skills. Tasks were assigned to the mentees and feedback on programmes conducted were collected orally. The session on environmental sustainability has imparted the idea to conserve and protect the environment from their own college itself. As part of environmental protection and awareness the students have planted some trees in the college campus and they are watering it regularly and taking care of it. The students have also taken part in the clean the sea campaign which took place in the Shankumughom Beach.

The mentees are also planning to launch two news letters one in Malayalam and other one in English. After the external mentoring sessions, Dr. Manu Remakant has divided the students according to their writing skills. This group of students are planning to launch the news letter by 28th of February 2020. Informal meetings, mostly between a mentor and a mentee were also an important component of this programme. It was mostly personal in nature and helped create a stronger bond between the mentor and the mentee. WWS programme has seen active participation and involvement from both the mentors and mentees throughout the academic year.
