A brief report of the achievements and activities of Sree Narayana College, Chempazhanthy from June 2011 to February 2012 is submitted herewith. There was all round progress in the college during this period. The academic face of the institution was very attractive and promising. The newly introduced CBCSS programme is being implemented in the college in a positive way as envisaged by the University of Kerala. The various aspects of the Continuous Evaluation – assignments, test papers, attendance and seminars, etc. are conducted in a commendable manner. The teaching and non-teaching staff has been tirelessly striving to implement the new system. The students

turn positively to the semester system. As a result the college could bag good results in the University examinations.

The parent-teacher responsibility in education is ensured in our college by a good PTA system. All the Departments have conducted class PTA meetings. The college carries out the curricular, co-curricular and extra-curricular activities with commitment and dedication. The NSS and NCC (boys & girls) are functioning well with notable progress. All the clubs and forums are functioning effectively as directed by UGC. Most of the teachers of our college are working as External Examiners, Chairman and Chief of various University Examinations. Many teachers have participated in State, National and International Seminars and other academic programmes and some have published papers in approved journals and books in their credit.
