

SREE NARAYANA COLLEGE, CHEMPAZHANTHY

CAREER GUIDANCE AND PLACEMENT CELL

ANNUAL CGPC REPORT 2020-21

Convenor: Dr. Asha S Kumar

The Career Guidance Cell of our college organized a series of programmes during the academic year 2020-21 for the all round career development of the students.

Webinar on “Transition from campus to corporate life- Telephone Etiquettes”

The career guidance and placement cell of our college has conducted a webinar on “Transition from campus to corporate life- Telephone Etiquettes” in association with the PG and Research Department of Chemistry on 13/07/2020. Mrs. Leena George, Soft skill trainer & Freelancer was the resource person. She talked about the various manners to be kept in the working atmospheres, telephone conversations in a call centre or other offices etc. About 108 students have participated in the session.

A BRIEF REPORT ON “AIM UPSC”

“AIM UPSC” consists of a few civil service aspirants from Economics Discipline. On 28th November 2020, the students from 1st DC Economics, under the guidance of Head of the department, Dr. Suchithra Devi. S had started a whatsapp group named “AIM UPSC “. The group consists of 14 students among which 12 students belong to 1st DC Economics and 2 students belong to 2nd DC Economics. The main aim of the group is to provide an effective group oriented platform for the students to prepare for the competitive exams particularly the UPSC exams, as group study always helps than self study.

Daily activities conducted:

Their daily activities include analysis of “THE HINDU” newspaper emphasizing the current issues and also linking with the subjects, so that there will be a practical understanding about the subjects, which should be covered for the same. Covering up the important magazines like the Yojana, Kurukshetra, Competition Success Review and The Quest and activities for developing the vocabulary as well as the communication skills of the students such as seminars, debate and paper presentations. Covering up of NCERT textbooks, in order to get basic knowledge and it act as a stepping stone for cracking all competitive exams. Practising the previous year question papers, uploading MCQs etc are been included in their activities. They also do activities on important days of National observance. This great initiative is really very big helping hand for the students and it is going on successfully and is well maintained. The credit goes to the entire faculty of the parent department, other departments and Principal of our college for providing necessary support, guidance and cooperation for this event to be a great success.
