

REPORT OF THE ACTIVITIES OF SCIENCE CLUB 2017-2018

1. Ozone day celebration: On 26/09/2017, in association with the Department of Zoology Ozone day was observed by Science Club. Dr. Reji S.R. Assistant Professor Department of Zoology was the convenor for the programme. The Head of the Department of Zoology Dr. Vidya Panicker presided over the function. Dr. Abhilash S., Assistant Professor, Department of Atmospheric Sciences, CUSAT was the Chief Guest. He gave an invited talk on Environmental issues. The Science club students participated in the poster presentation and power point presentation competitions. The Financial support is from KSCSTE.

2. International mole day: On October 23rd, International mole day was observed by conducting a poster presentation competition for students. Athira A.M. from I DC chemistry won the first prize.

3. 150th Birth Anniversary of Marie Curie: On November 10th, 150th Birth Anniversary of Marie Curie was celebrated by Science Club in association with Chemistry Department. Our principal Dr.L. Thulaseedharan sir presided over the function. Dr. Sherin D.R., Post doctoral Fellow Scientist, IITM , Trivandrum and Dr. Rema Devi , Assistant Professor, S.N. College Chengannoor were the chief guests for the function. Dr. Remadevi gave an inspiring talk on Bio based Renewable energy resources-Bio fuels. Dr. Sherin made an enthusiastic interaction with students on the topic “ Drug discovery through computational chemistry”. Science Club students and students from Chemistry department participated in the power point presentation competition on the topic “ life story of Madam Curie”. Lab based competition Chem Speed was conducted for the chemistry students. Amritha from III DC Chemistry won first prize in

the contest. Deepika from Ist M.Sc. Chemistry got first prize in the competition. The financial support for organising the programme was provided by PTA.

CHEM SPEED

4. National Science day Celebrations: From 27-2-2018 to 28-02-2018 National Science day was celebrated with financial support from KSCSTE. Our Principal Dr.Jitha S.R. presided over the function .Dr.J.D. Sudha , Associate professor Acsir NIIST inaugurated the programme and gave a lecture on the focal theme for NSD 2018 “Science and Technology for Sustainable Future”. A quiz competition in general science and debate on the focal theme was conducted for high school students. Amritha K., VIIIth Std And Irfan Ahmad N, VIIth Std from S.N. Public School won First prize for the competitions and Arunima K. And Sree Nanda M from S.N. Gurukulam HSS won the second prize. Also interdepartmental essay writing competition, spot photography competition and theme based concept presentation competition was conducted for the college students. Sulthana Fehroza, IIDC Chemistry got first prize for the concept presentation and essay writing, Umesh M. from II DC physics got first prize for spot photography.

A News letter Che Mag is released by the Chief guest. The competitions were conducted on 27-02-2018. The financial support was from KSCSTE.
