

SREE NARAYANA COLLEGE CHEMPAZANTHY

DEPARTMENT OF GEOLOGY

VISION: TO ENSURE HOLISTIC DEVELOPMENT OF STUDENTS BY INCULCATING VALUES OF LIFE, SCIENCE EDUCATION, DEVELOP SCIENTIFIC TEMPER, RESPECT FOR NATURE, AND NURTURE ETHICAL VALUES THROUGH SCIENTIFIC EDUCATIONAL PRACTICES

MISSION: TO OFFER HIGH QUALITY EDUCATION DEDICATED TO BUILDING MINDS WITH SOCIAL AND MORAL RESPONSIBILITY, AND TO PROVIDE A STRONG FOUNDATION FOR HIGHER STUDIES, RESEARCH AND EMPLOYMENT IN THE FIELD OF GEOLOGICAL SCIENCES

ABOUT OUR DEPARTMENT

The Department of Geology was established in 1979. Department of Geology maintains high standards in teaching and learning, which are reflected in consistent progression of students to higher studies and employment. The students have also excelled in extracurricular activities. The Department has been making sincere efforts to be elevated to a Postgraduate Department

COURSES OFFERED IN FYUGP PROGRAMME

**B. Sc. Geology (3 Yrs) &
B.Sc Geology with Honours (4 Yrs)**

In addition to Basic Courses for Geology
Electives offered are:

1. *Hydrogeology with Geophysical Investigation*
2. *Field Techniques in Geology*
3. *Exploration and mining Geology*
4. *Engineering Geology*
5. *Climatology and Marine Geology*
6. *Geotechnical Investigation of soils*

With Advanced Remote Sensing and GIS course in Fourth year. We Make student ready for the challenges in present day Industry and Research Sector.

OUR ACHIEVEMENTS

Kerala University, Geology
First Rank 2019-Veena MC

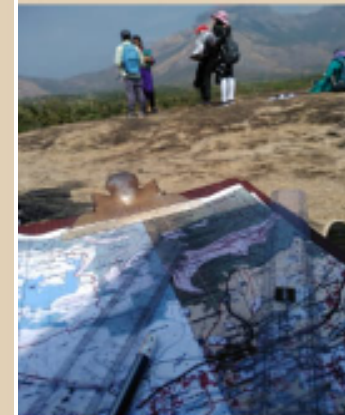

Kerala University, Geology
First Rank 2020- Swathy S

Kerala University, Geology
Third Rank 2021- Gayathri DB

OUR ACTIVITIES

Our Teaching Faculty

Dr. S Saji
Assistant Professor & Head
PH: 7907468665

Smt. Abhirami J.S
Assistant Professor

Sri. Anish Kumar S
Assistant Professor

Our Facilities

Geological museum

Well-equipped-ICT-enabled classrooms and laboratories

GIS Lab facility

10 Petrological Microscope

ICT tools – LCD projectors & Document Projector, Video Camera online class platforms

Over 800 Geological books at Central Library

OUR SPECIAL HIGHLIGHT:

- 27 Students Qualified for JAM in Last Five Years (Interance exam for admission @ IIT'S and NIT's)
- Every year Special session for JAM/ NET/ GATE is being Conducted
- Two Day GIS Workshop for College Students each Year
- Strong Support from well established Alumni
- Geological Field Tour Every year
- Regular Group Discussion/ Debate sessions for improving communication skills
- Regular Visit to Geological Institutes

"Never regard study as a duty,
but as the enviable
opportunity to learn."
—Albert Einstein

Come Visit, Talk, Understand,
Explore the Field of Geology
and decide to grow as a
Geologist....
