SREE NARAYANA COLLEGE CHEMPAZHANTHY

OVERVIEW

Sree Narayana College, Chempazhanthy was established by the Sree Narayana Trusts, Kollam, in memorial obeisance to the great social reformer and seer, Sree Narayana Guru. Chempazhanthy is a village of historical importance, as it is hallowed by the birth of the Guru (1855). It was the revolutionary vision of this great sage that metamorphosed the state of Kerala, which was called a lunatic asylum by Swamy Vivekananda, into one of the most progressive states of India. Chempazhanthy, the birth place of the Guru, is ten kilometers away from Thiruvananthapuram city. The Guru sowed the seeds for a radical change in the society of Kerala and launched a campaign against social evils and morbid traditions. The philosophy and the reformatory of the Guru changed the lives of the downtrodden and marginalised people more than the activities of all other social reform movements in India put together.

The Sree Narayana College, Chempazhanthy, situated in an undulating verdant campus of thirty acres, was formally inaugurated on 20 July 1964, by Sri. R. Sankar, then Chief Minister of Kerala. Prof. T.C. Rajan, noted social scientist, was the first Principal. This college was established for providing educational opportunities to the young men and women of Kerala especially the members of the socially and educationally backward community. It extends its service to the members of the other communities also to the possible extent irrespective of caste or creed. The college imparts education

and training to more than 2000 students every academic year by offering degree courses in History, Economics, Commerce, Political Science, English Language & Literature, Sociology, Psychology, Geology, Physics, Chemistry, Mathematics, Zoology and Botany. With the introduction of a post graduate degree course in History in 1982-83, the college was elevated to the status of a post graduate institution. This was followed by the M.Sc degree in Chemistry in 1998-99 and M.A. English in 2013-14. The departments of History and Chemistry were elevated to the status of Research Centres of University of Kerala in 2010. Keeping pace with technological innovations and knowledge at its frontiers, the institution undertook the computerization of all the departments, the general library and the administration. A well equipped computer laboratory with internet access, functions for the benefit of the students, teachers and researchers.

Conscious of its inceptional obligation to imbibe and disseminate the revolutionary ideal of one caste, one religion, one god, the college thrives for the extirpation of communalism, sectarianism and provincialism. It stands for enlightenment through education and endeavours to mould a humane, intellectually accomplished, morally awakened and socially committed fraternity of young men and women.

The college continuously strives to internalize and institutionalize excellence by improving the quality of its services and upgrading the available infrastructural facilities. Sree Narayana College, Chempazhanthy underwent a second cycle of evaluation and assessment by the National Assessment and Accreditation Council (NAAC), an autonomous institution of the University Grants Commission, in March 2016. The Executive Committee of the NAAC graded the college at B - level with a cumulative grade point of 2.74 on the basis of its academic performance, infrastructure facility, student support services, etc. The post-accreditation period has been marked with tremendous development in academic as well as creating career opportunities.

The college stands for academic excellence, development of skills and character formation based on the philosophy of Sree Narayana Guru.

The motto of the college is

“Realize Emancipation through Education.”

Enjoying the five fruits of voice from taste smell and touch again and again, the five birds of senses (i.e.) ears, eyes, nose, tongue and skin, living in the charge of human body emitting foul smell be conquered with the arrow of "self realization".

Fastening tightly the string of devotion in the bow of mind, all sins and evil deeds should be smitten with the arrow of supreme knowledge.

God the supreme being is “Dharma” (Charity). Dharma is the greatest Wealth. Dharma invariably wins. Dharma is also instrumental for the greatness of men.

* * * * *

Judging one’s religion based on his faith, mental attitude, custom and culture is not the proper perspective. They are transient .

* * * * *

Knowledge in supreme Bliss : Realisation of the inner self that glows in all human beings is the true knowledge.

* * * * *

Let there be diversity of profession, nationality and language among men. But the Dharma that is inherent in the hearts of all men is “humanism” and that is the caste of man.
