SEMINAR SERIES
2015-16

17th February - 2nd March 2016

Sree Narayana College, Chempazhanthy, situated in the holy birth place of Sree Narayana Guru, has been the shrine of knowledge and wisdom to innumerable students since 1964. R Shankar Memorial Spectrum Seminar Series is a decade old annual academic seminar series conducted collectively by all the departments of the college, each sharing a day each. The Seminar Series have been a roaring success with eminent personalities attending the seminar and facilitating transfer of knowledge in the form of discussions, paper presentations and invited lectures.

GOALS:

To propagate the philosophy and ideals of Sree Narayana Guru

To familiarize emerging trends and frontier areas to all

To impart all scholastic opportunities to the underprivileged and the marginalized students

To provide opportunity to our students and faculty to participate in interdisciplinary scientific discourses

To cultivate research aptitude among students by giving them exposure to academic activities

To offer a platform for our students to present their research findings before eminent scholars of various disciplines

To train students in impeccable organization of academic programmes

To provide an inspiring occasion to the local public to witness the grandeur of academic fiesta
