SREE NARAYANA COLLEGE

CHEMPAZHANTHY

CONTEMPORARY TRENDS IN
INTERDISCIPLINARY STUDIES:
SEMINAR SERIES

DATE: FEBRUARY 20th - MARCH 10th

VENUE: SEMINAR HALL

Sree Narayana College, Chempazhanthy established in 1964 and situated at the birth place of Sree Narayana Guru, has been imparting knowledge to generations, guiding youngsters towards awareness and wisdom. From a humble beginning, the college now has research centres, Graduate departments, undergraduate courses and an eminent faculty.

The college celebrated its golden jubilee in the year 2014-15 with a year-long academic and non-academic activities with several dignitaries visiting the campus as guests of honor. The college stands for academic excellence, development of skills and character formation based on the philosophy of Sree Narayana Guru.

Sree Narayana College, Chempazhanthy, accredited by NAAC UGC, has 13 departments offering undergraduate and graduate programs. The college has been organizing Spectrum seminar series since 2005. The seminar has seen illustrious academics as well as scholars and students presenting papers and actively participating in discussions and debates. A highlight of this program has been the high level of participation by the students as well as the interdisciplinary nature of the program.

Spectrum 2017 will be interdisciplinary as well. The theme for the year will be 'Contemporary Trends in interdisciplinary Studies'. Another highlight of this year's seminar series will be the participation of students from other colleges. Paper presentations and discussions as well as best paper awards will make the event an exciting one.

The seminar will have several renowned academics from various disciplines addressing the audience comprising of scholars and students from various colleges.

Papers are invited from students representing various colleges.

Dr L Thulaseedharan
Principal
