11 responses

*[Signature]*  
HOD, Dept. of Chemistry

There is enough freedom to apply modifications in the Curriculum for the benefit of students

11 responses

The Curriculum addresses issues like Gender, Environment, Sustainability, Human Values and Professional Ethics

11 responses

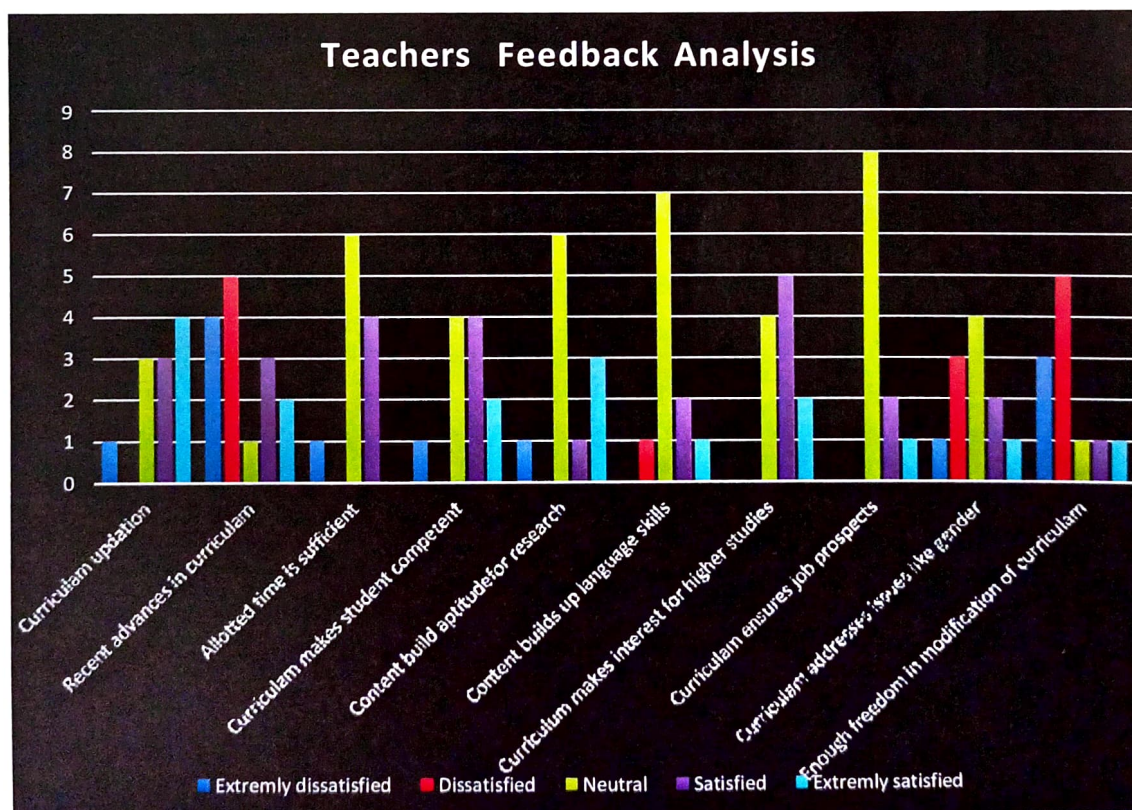

*[Signature]*  
HOD, Dept. of Chemistry

## Feedback Analysis Report

Majority of the faculty members suggested that the timely updation of curriculum is a necessity. The Curriculum is updated from time to time. They also suggested that there is not enough freedom to apply modifications for the benefit of students. The course content should be modified in order to develop research aptitude and opportunities for students. Most of them responded that the Curriculum is structured ensuring job prospects of students. Majority of the teachers said that the curriculum addresses issues like Gender, Environment, Sustainability, Human values and Professional Ethics.
