

Geology

Action taken Report based on the feedback on curriculum

As per the feedback and suggestions received from students, teachers, parents and Alumni of our Department, current teachers and class representatives had an internal meeting at Department Faculty room.

Suggestions and responses:

1. After the ease in covid-19 restrictions, each batch will be given at least one field/ Lab/Institute visit per year.
2. A geology forum named **GeoFOCUS** was created, for conducting interactive sessions within batches and inter batches for improving students' communication skills.
3. Interactive workshops with successful students of competitive exams are planned to be conducted in every two years, under the banner of **GeoFOCUS**.
4. PTA meeting for each Semester to evaluate each student's results and intimation of progress with parents is planned.
5. A plan to purchase 5 computers and establishing a computer lab in the department with a view of giving practice to students in various Geological software and facilitating students to prepare their Study Maps and Project Report.
6. Books in the department will be transferred soon to College General Library and students can access them as per the library rules.
7. Classes and Seminars by Industrial and academic experts every year is planned and has already been organized.
8. Along with descriptive question pattern followed by the University, Objective exams will also be conducted as Internal exams in each Semester.
9. Strengthening of Alumni group, with an objective of "Return to department", for infrastructure improvement is being planned.
10. Innovative teaching methods is being planned for students; Peer teaching will be given full encouragement. Preparation of geological model and sample collection on relevant and widely accepted classification schemes will be given priority.

In general, student will be given an understanding of his/her strengths and weaknesses. Steps will be adopted to polish strengths and improve weakness and thereby making him capable to choose his/her own future endeavors, based on his/her interest, better logical opportunities available.
