Action taken Report based on the feedback on curriculum

1. Based on the feedback and suggestions from the students, parents and teachers, it is observed that certain aspects of curriculum need to be improved, which include more activities like Seminars, invited talks, industrial visits, group discussions, quiz, competitions and Summer School.
2. Department finalized an action plan emphasizing the need and usefulness in conducting seminars, subject experts talk, quiz, group discussion and debates.
3. Most of the members suggested to conduct programs or classes which are beneficial for students to crack competitive examinations and thereby earn a career.
4. The Department decided to report the suggestions to the Board of Studies so that they can consider the matter during curriculum revision and plan accordingly.
5. Department presented the suggestion of giving classes for competitive examinations at the college council and been accepted.
6. All teachers are insisted to complete the portions allotted by taking classes on Saturdays too.
7. Based on the suggestion by faculty members, a representation to include industrial visit as a part of curriculum has been given to the Board of Studies.
8. List of reference books specified in new syllabus is forwarded to college office in time for purchase from PD account.
9. Regular meetings are being arranged with all the stakeholders from the academic year 2016-17 onwards to update the academic requirements of the students.
