**Feedback Analysis Report**

We received 128 responses from students. Almost all the students opined that the curriculum was good. They also agreed that the curriculum was further enriched by various activities like seminars, invited lectures, group discussions, quiz competitions and debates. Sixty percent of the students believe that the course facilitates creating aptitude among students and opens up possibilities for research. They responded that the portions were duly completed within the stipulated time. They suggested that new topics be included in the syllabus. They also shared their grievance regarding the time lag in conducting the University exams.
