PREFACE

Happiness comes as a result of our actions

-Sree Narayana Guru

It gives me immense pleasure and honour to place before the S.N.Trusts, The Annual Report for the academic year 2020-21 of Sree Narayana College Chempazhanthy. Each annual report provides an opportunity for introspection to the stakeholders, to get better insights on making innovative and progressive strides in the days to come.

Our college situated at the birth place of the illustrious and charismatic Maha Guru, Sree Narayana Guru, has worked tirelessly to inspire generations of student community. Formally inaugurated on 20th July 1964 by Sri. R.Sankar the then Chief Minister of Kerala, the S.N. Colleges has stamped their mark in the educational map of Kerala. The college extends educational service to around 2000 students every year, keeping space for students from socially and economically backward category.

Though the pandemic has arrested the usual pace of academic activity, the college has been able to rope in the best of efforts to function on digital platform and thereby keeping the flame of learning intact online. Making best use of online platforms all the departments organised various webinars bringing in the services of resource persons of repute and expertise, for the benefit of student community. A notable qualitative stride made by the college has been the commencement of PG Course in Botany. We are pleased to announce that we achieved a commendable result in the University examinations with two First Ranks and a Second Rank from the departments of Political Science, Psychology and Geology. It was indeed a matter of pride when our student Saranya Chandran of II B.Sc., Physics bagged the golden opportunity to take part in the 72nd Republic Day parade at New Delhi. These results reflect our committed investments in our strengths. Happy to share good news that the college has been awarded “A” level by Haritha Keralam Mission, Thiruvananthapuram for the excellent execution of Green protocol norms. NSQF courses were started for Sociology and Chemistry. Adhering to the qualitative edge, the faculty are kept their research acumen intact with four of them being awarded doctoral degree.

I would like to express my sincere thanks to the Management for their constant monitoring and productive engagement in all the activities of the college. I would like to place on record, the guidance and support by the teaching, non-teaching and parental community, this has helped in bringing a positive difference in the society. We seek the blessings of the all-powerful in guiding us for a still better delivery of service in the days ahead.

Best regards

Dr.Anil kumar S

Brief report of the functioning of Sree Narayana College during 2020-21

The classes for the academic year 2020-21 began on June 1, 2020. Due to the pandemic, teachers were instructed to conduct online classes. A meeting of the College Council was convened to discuss the plan of action for the year. Academic calendar was prepared and the Teachers' were instructed to submit the report of online classes on a weekly basis regularly.

Presently, there are 65 teaching staff members (18 males and 47 females), of which 45 possess Ph.D. as their highest degree, and 26 with M.Phil degree as highest degree.

Admissions to the UG and PG courses this academic year were carried out by the online procedure of the University. **The student strength for the year was 2033 (684 males and 1349 females) for UG courses and 140 (18 males and 122 females) for PG courses.** Offline classes were conducted for each batch as per the instructions of the Government strictly adhering to the Covid protocols. A Covid cell was formed in the college under the convenorship of Dr. Manu Remakant, Head, Department of English.

Noteworthy achievements of the college during the academic year 2020-21 are listed below: In the final year UG examinations during June 2020 two first ranks and one second rank for UG and one fourth rank for PG rank were secured by students.

The activities of the NSS volunteers and NCC cadets were very commendable and brought wide publicity to the college in print and electronic media. The NSS unit engaged in organic farming in the campus. A whatsapp group for retired teaching and non-teaching staff was started this year.

A majority of the teaching and non-teaching staff of the college contributed their service to the Nation as Polling Officials in the Elections held this year. The Principal, teaching and non-teaching staff, and the students acknowledge the support received from the Management in all facets of development of our college.

ACTIVITIES OF THE DEPARTMENT OF PHYSICS

- Organized a Webinar on “Astronomy - Evolution and Methods” on 28/09/2020 through google meet. Dr Prince P R , Asst. Professor of Physics, Univesity College, Thiruvananthapuram delivered the Keynote address.
- Organized R.Sankar Memorial Spectrum Weminar Series on 13 February 2021.Dr N Shaji, Rtd. Principal Govt. College, Manimalakkunnu, Adjunct professor Cusat,Editor Science Magazine Kerala Shashtra Sahithya Parishath delivered the Keynote address
- Conducted Oral/Poster Presentation for students on various topics in connection with Spectru Seminar Series on 15-02-20
- Felicitated Saranya Chandran of II BSc Physics fpr participating 72 nd republic Day Parade at Delhi.
- Organized Online Essay Writing Competition in connection with National Science Day Celebrations on 02-03-2021
- In Association with Debate Club and Kerala State Electricity Board , Department of Physics organized Power Quiz

ACHIEVEMENTS OF STUDENTS

- Saranya Chandran of II BSc Physics participated on 72nd Republic Day Parade at Delhi.

- Sandra Satheesh C S of III Bsc Physics got First Prize in Power Quiz (College Level) organized by KSEB, Debate Club and Department of Physics
- Devi Vaishnavi and Abhinaya Vijayan of II BSc Physics got First and Second prizes respectively for Spectrum Seminar Series paper presentation of Physics.
- Vaishnavi D N of IDC B.Sc Physics got first prize for Spectrum Seminar Series paper presentation of Hindi.
- Diya Shaji of IDC B.Sc Physics got Second prize for Essay writing competition of Nature club.

ACTIVITIES OF THE DEPARTMENT OF CHEMISTRY

- The department organized a one day Webinar entitled **Transition from Campus to Corporate Life-Telephone Etiquettes** was organized by Department of Chemistry, S N College, Chempazhanthy on 13th July 2020. Smt.Leena George, Certified soft skill trainer was the speaker. She introduced the modalities in telephonic conversations for students in their career.
- A three day webinar was organized by Dr. Sivakala S. in connection with Ozone day Observance 2020 from 16/9/2020 to 18/09/2020. Dr. Mary Gladis J, Associate Professor, Department of Chemistry, Indian Institute of Space science and Technology, Trivandrum and Dr. Neethu K.S. , Research Scientist, Dept of ElectroChemical Power Sources, CSIR-CECRI, Karaikudi, Tamilnadu delivered the invited lectures. Online competitions on cartoon drawing, poster making, video making, oral presentation based on the theme “Ozone for Life” were conducted for the college students under Kerala university. An online wall magazine was released in the youtube channel of the Department.
- A webinar series on IPR “**Literature Review and Digital Sources**” was conducted on 14th October 2020 by the PG and Research Department of Chemistry, Research cell , IQAC and Library of S N College, Chempazhanthy. Dr. Vijayakumar K.P. Adjunct professor, University of Calicut delivered the invited lecture.

- Department of Chemistry, Sree Narayana College, Chempazhanthy organized an International Webinar Series on the theme '**Future prospects of Chemistry Education**'. The inauguration of the webinar series was organized as a two day webinar from 21/10/2020 to 22/10/2020. The aim of organizing the international webinar was to bring together academic scientists, professors, researchers and students to share, discuss and disseminate information in the current research trends and the practical challenges encountered and the innovative solutions adopted in Chemistry education.

The programme started at 21/10/2020 9.15 A.M with the prayer song by Ms. Anamika, BSc Chemistry student. Dr. Suja S, Head, Department of Chemistry welcomed the gathering. Dr. Jitha S R, Principal, Sree Narayana College, Chempazhanthy presided over the function. She strongly emphasized the importance of teaching the research concepts to PG classes and also highlighted the relevance of organizing these types of webinars in her presidential address. Dr. Parthasarathi Chakraborty, Associate Professor at CORAL, IIT Kharagpur (Shanti Swarup Bhatnagar Awardee, 2018) delivered the Keynote address. He briefed his research works in Chromium speciation in the sediments across the oxygen minimum zone, western continental margin of India, Molecular characteristics of sedimentary organic matter in controlling elemental mercury distribution in tropical estuarine sediments etc.

The first Technical Session was by Dr. Krishnan Kartha Kalathil, Post Doctoral Fellow, Institute of Organic Chemistry, University of Muenster, Germany. He delivered an inspiring session on Stimuli Responsive Supramolecular Materials.

The second technical session was by Dr. R.S. Praveen, Director of Sales, Gulf Bio Analytical Group, Dubai. He has explained the Analytical Instrumentation as a career option for Graduates, to students and how to focus on the analytical chemistry job options.

On 22/10/2020, the first session of the second day of the seminar was by Dr. Suneesh C Karunakaran, Research Scientist, Georgia Institute of Technology, Atlanta, Georgia. He has delivered an interesting talk on 'The Chemistry of Origin of Life'. He gave a very basic idea of how life originated on Earth to the students.

The second session 'Employability skills required for 21st century work environment' was by Ms. Sreeja Unnithan, Founder, e-Teach Online Education Solutions, Career Planner, Dubai. She explained about the hurdles and the way to cross these hurdles as they enter into a career.

- The Department conducted a webinar on 30/11/2020 on the topic **Career Prospects of Chemistry Graduates**. Dr. Ajayakumar G, Assistant Professor, Dept. of Chemistry, Govt. Women's College, Vazhuthacaud was the resource person.

- Department conducted a webinar on "Separation Techniques" on 30th October 2020. Dr. Renjith S, Scientist , SCTMST, Trivandrum was the expert.
- Department conducted a webinar series on IPR "Patent law and Procedures in India" on 7th December 2020 in association with, Research cell and IQAC, S N College, Chempazhanthy. Mr. Bilal Nazeer, Research officer,IUCIPRS,CUSAT,KOCHI was the resource person for the webinar.
- In wake of Covid-19 pandemic,Department of Chemistry, Sree Narayana College, Chempazhanthy conducted students Onam celebration virtually without lowering the spirit of the celebrations on 27/08/2020. A 7day virtual Onam celebration was organised with different interesting contests by setting an online platform to connect virtually all the students from the Chemistry Department.
- The Department constituted a peer learning forum of studentsfrom the year 2020. Dr. S. Suja , Dr. Sivakala S. and Dr. Ambili Raj D.B. were the staff advisors for the forum. Two students from the P.G. classes and two each from U.G. classes were included in the working committee. As part of this webinars and observance of important days were organized by the forum. The details are given below.

a) CHEM EXPLORE -2020

Resource Person : Dr.Asha R., Research officer, Inter university center for IPR studies, CUSAT, Kochi

Topic:Chemistry Nobel 2020- A true inspiration to young women researchers.

Convenor: Nandhana S. Satheeshan, IIMSc chemistry student

Organising committee: Amala urpava saleena , Sreyas G.L., Subin S. darshan- III BSc Chemistry, Akhil S.S., Athul Haridas - II BSc Chemistry.

b)National Science day celebrations 2021

Resource Person : Dr.Hareesh U.S., Principal Scientist , Materials and minerals division NIIST, Trivandrum

Topic:Carbondioxide sorption.

Convenor: Vinay Arun, IIMSc chemistry student

Organising committee: IMSc students, I DC students

As part of this webinar students conducted poster presentation competition for students of our department. I year students prepared a short magazine **Chem Mag** special issue in connection with NSD 2021-celebrations.

Mole Day Celebration: As part of mole day celebrations, the peer learning forum organized an online Mole day poster competition. A video clip based on the student's posters was released on youtube by the Principal in the meeting held on 23/10/2020. The activities of the peer learning forum can be considered as one of the best practices of our department.

- Setting up of Herbal Garden: A herbal garden was set in the department with about 18 different varieties of tulsi plant. Plan is there to extend it with different varieties of turmeric and ginger. It can also be one among the best practices of the department.
- Department applied for a post graduate diploma course in analysis of soil and water under National Skill quality Framework programme by UGC. Dr. Sivakala S. was the department level co-ordinator for the course. Dr. Ambili Raj D.B. was the general co-ordinator for NSQF programme in the college. As part of the course department has signed an MoU with CEPCI, Kollam. As part of the MoU they agreed to provide skill based training programme for the students of the course. The admission completed by November 2020. A Board of studies was constituted for the course with Dr. Anoop Krishnan, Chief Scientist, Center for Earth Science Studies Akkulam, Smt. Hazeena, Dept. of chemistry, CEPC, Kollam as external members and Dr. Jitha S.R. Principal, Dr. S. Suja, HOD of the Department, Dr. Sivakala S., Course Coordinator, Dr. Ambili Raj D.B., Nodal officer NSQF and Dr. R. Biju, Treasurer as the internal members. The class commenced from December onwards with 18 student strength. As per the decision by Board of studies, a guest faculty was appointed for engaging the classes for the course. Shri Jayaprakash, Rtd. Scientific Officer, Mining and geology, TVM, Dr. Vaisakh S.S., Assistant Professor (Guest Faculty) and Dr. Soumya Krishnan, Guest faculty Nilamel college are engaging the classes. Now we are going to complete the first semester by April 2021. We have consulted the skill sector council for the assessment and accreditation for the course. The procedures are yet to be completed after the first semester.
- The R Sankar Memorial Spectrum Seminar was inaugurated on 7th of November, 2020. Dr. Asha S Kumar was the organizer of the programme. The Department of Chemistry had its spectrum inauguration on 27/1/2021 in the online mode. Shri A V Sathish, Scientific Officer, Kudankulam Nuclear Power Plant was the Chief guest. He delivered a talk based on the theme, Nuclear Energy: The need, The Perception and the Reality. On 28/1/2021 there was the student presentation in the offline mode. Akshaya S Suresh of II DC bagged the first price. Vinay Arun of I MSc got second place. A general topic was given for presentation. The topic was entitled "The Chemistry of Vaccination". The function was conducted in the seminar hall maintaining Covid protocol.
- Alumni general body meeting of Chemistry Department was constituted on 21/3/2021. Few 2005-2008 batch Students were present. Due to the covid prevalence the expected numbers of participants were not up to the mark as expected. So it was decided to hold another meeting of Alumni by April midweek itself.

ACHIEVEMENTS OF STUDENTS

1. Vinay Arun from I MSc. Chemistry bagged second prize in Spectrum seminar series student presentations held on 28.1.2021
2. Akshaya S Suresh of II BSc Chemistry won the first prize in Spectrum Seminar series student presentation held on 28/01/2021
3. Krishnendhu V.L of 2018-2020 batch secured 4 th place in the M.Sc Chemistry Degree Examination in University of Kerala.
4. Many of our Final year MSc students got selected in reputed research institutes of great repute for their project work
5. Subin S Darsan from III DC Chemistry has won the best NSS volunteer award in the University of Kerala during the academic year, 2020-2021.
6. Gouri Nanda sudhin of III Bcom won the best Manager award in global institute of management award with a cash prize of Rs. 500

ACTIVITIES OF THE DEPARTMENT OF MATHEMATICS

NATIONAL MATHEMATICS DAY

It is celebrated on 22 December every year to mark the birth anniversary of legendary Indian mathematician, Srinivasa Ramanujan. Since ancient times various scholars had made significant contributions to mathematics including Aryabhata, Brahmagupta, Mahavira, Bhaskara II, Srinivasa Ramanujan, etc. At a very young age, Srinivasa Ramanujan showed the signs of an unfolding genius, and his contributions regarding fractions, infinite series, number theory, mathematical analysis, etc. set an example in mathematics.

In connection with National mathematics day on 22-12-2020 we conduct a webinar on the topic 'Mathematics: The kernel of science'. Dr. K.P. Naveena Chandran, Adjunct faculty, CUSAT was the chief guest of the webinar. Teachers and students from various colleges actively participated in the webinar. Principal Dr.Jitha S R presided the function .Dr. Dhanya S R, HOD delivered the welcome speech. Dr. Abisha R, program coordinator introduces the chief guest. Dr. Naveena Chandran sir gave the students a clear picture about Ramanujan's life and his contributions to mathematics during the short period of his life. Also, the speaker gave the basic ideas of differential equations and linear equations through daily life examples. It was a wonderful experience for our students.

SPECTRUM SEMINAR DETAILS

On 1-3-2021 Mathematics department organized a webinar in the topic 'Careers in Mathematics' as a part of spectrum seminar series by .DR.Manilal K , Associate professor ,Dept. of Mathematics , university College,TVPM . Principal Dr.Jitha S R presided the function. Dr. Dhanya S R, HOD delivered the welcome speech. Smt.Bijila B R, program coordinator introduced the speaker. Manilal sir said that career opportunities are unlimited for a Mathematics student and he explained different career fields for Mathematics students other than teaching, which include Data scientist, Machine learning expert ,Business Analyst etc. After the seminar students from Ist & IInd year presented papers on different fields in Mathematics. All students presented very well. Ms.Kavya Sanal (I IDC Maths) got first prize and Ms.Anju S Venu (I IDC Maths) got second prize in the presentation.

Achievement of Faculty

GeoFOCUS, an open forum created by Department of Geology, Sree Narayana College Chempazhanthy for sharing geological thoughts and to motivate students by conducting seminar sections and workshops had organized a Workshop and field demonstration in collaboration with Central Ground Water Board, Thiruvananthapuram Office on the topic 'Electrical Resistivity Field Survey with Field Demonstration of Schlumberger Method' on 3rd, 5th and 16th of February 2021. Sri.

N. Veerababu Scientist B, Smt. Remadevi (Geophysicists) and Sri. Sreehari Srangan M. S., Scientist B (Hydro-Geologist) Central Ground Water Board, Thiruvananthapuram had made field demonstration on Electrical Resistivity Survey and delivered an excellent and informative presentation on the topic.

GeoFOCUS had also organised Workshop on JAM 2021. Invited speakers, Smt. Adhaina Susan James, Shri. Saju D. S. and Smt. Ardra Jewel has taken interacting session in the workshop.

GeoFOCUS also organised interactive session among 1st SEM Students to improve leadership and communication skills

Project work

- As part of project work, team of 6th semester students (21 students) visited Attappadi and Agali Areas of Palakkad district on 17.03.2021
- As part of project work, team of 6th semester students (11 students) visited in Amblavayal and Kattikulam areas of Wayanad district on 18.03.2021

Field Work

From 17th to 19th March 2021, 32 final year students of geology department went for a field study programme as part of their B.Sc Geology course. The field study of areas covering Attappadi and Agali areas of Palakkad district and Amblavayal and Kattikulam areas of Wayanad district under the guidance of Dr S. Saji, Head of the Department, Department of Geology, Mr. Aneesh Kumar, Senior Geologist, Geological Survey of India, Mr. Joy, Senior Geologist, Geological Survey of India, Dr Vishnu Mohan and Smt Soorya Krishnan guest faculty

Department of Geology, Sree Narayana College Chempazhanthy had organized a seminar in connection with R .Sankar Memorial Spectrum Inter-Disciplinary Seminar Series (2020-2021) on 27th of January 2021, 11 am in Google Meet Platform. Sri. Rajesh S., Superintending Geologist, Geological Survey of India, Kerala Circle has delivered a Keynote presentation on the topic ‘Structural geology and its significance: A Tribute to Dr. John Graham Ramsay’. The Keynote presentation was very

informative and imparted awareness on importance of Structural Geology in the field of Earth Science studies.

In connection with the seminar, department also organized a seminar competition for students. A total of five students had participated in this competition and list of participants and their topics are given below:

Sl. No.	Name of Candidate	Topic
1	Anurema G. B. Nair (Third year)	The great dying or the great Permian extinction
2	Kiran Shankar (First year)	Case study of Munderi to accentuate socio economic impact of geologist
3	Aparna V. S. (First year)	Volcanoes and climate changes
4	Randheer V. A. (First year)	Disaster and disaster management in India
5	Pavithra Saji S. (Second year)	Soil erosion

Based on the performance, 'The great dying or the great Permian extinction' Presented by Anurema G. B. Nair (Third year) was selected as the Best Presentation and Pavithra Saji second best presenter by Sri. Rajesh S. (the Chief Evaluator). As a compliment for the presenters in the seminar, Sri Rajesh S., Superintending Geologist, Geological Survey of India, Kerala Circle has extended an invitation for a one day visit to Geological Survey of India office in Thiruvananthapuram and its Museum.

PTA Meeting

R

The online PTA meeting of BSc S3 geology was held on 06th July 2020 at 7 p.m. via Google meet (<https://meet.google.com/yov-mxpa-zwt>), 41 participants including principal and 2 faculty members of the department attended the meeting. The meeting commenced with a silent prayer followed by welcome speech by Aneez. A.Z, tutor of the class. This was followed by an introduction note by the College Principal, Dr. S.R. Jitha, where she emphasized the importance of attending the online classes

and providing students with high speed internet. A good feedback was obtained from the parents. Vote of thanks was delivered by Keerthy Suresh, H.O.D of the department.

ACHIVEMENTS OF STUDENTS

mt. Swathy S. scored maximum marks for Geology in S. N. College Chempazanthy and became University second rank. She has been felicitated by Kadakampally Surendran Honourable minister for Co-operation, Tourism and Devasom board on Shankers Day (November 7, 2020)

Smt. Meenu B.R Second year BSc geology student got second position in National Powerlifting Championship 2020, New Delhi, March1 2020 in 57Kg category.

SCIENCE CLUB

ACTIVITY REPORT 2020- 21

The **Science Club** is aimed to improve the scientific attitude among the students. The club encourages students in all their contributions in the field of Science.

Our objectives : To provide a better environment for students to gather and exchange scientific ideas. To develop awareness of & concern for **scientific** issues in personal, social, environmental and technological contexts. To interact with eminent scientific personalities.

The Science club 20-21 of Sree Narayana College with convenor Dr. M.S.Vidia Panicker, Associate Professor in Zoology and Dr.Suma B.S, Associate Professor in Botany, Dr. Regi. S.R, Assistant Professor in Zoology, Dr. Sreeja P. Sreedhar, Assistant Professor in Zoology, Dr. Haripriya Anand. M,Assistant Professor in Chemistry, Dr. Ajilal. P,Assistant Professor in Psychology, Ms. Manu. K.B,Assistant Professor in Physics and Dr. Saji. S, Assistant Professor in Geology, as members. In the pandemic situation of Covid 19 the Club meeting was conducted on online platform on 20th February.

The club decided to observe the National Science day in association with the Department of Zoology on 28th February 2021 at 10. 30 AM on National Science day. The Inauguration of the club was also done on the same occasion. The inauguration and Keynote address was done by Dr. Santhosh kumar S.S, Deputy Superintendent, Head of emergency Services, Trivandrum Medical College, and Vice President of Doctors without Borders, South Asia on a very relevant topic “Impact of Covid on future of Science and Technology”. College Principal Dr. Jitha S.R Presided over the function. Club Convenor Dr. M.S. Vidia Panicker welcomed the function, Dr. Raakhee A.S, IQAC Convenor and

DR. Regi S.R, CLMC Convenor facilitated the meeting and Dr. Haripriya Anand M, SAAC Convenor cast vote of thanks.

To give awareness about the protection of Ozone layer, the Science club in association with the Department of Zoology, Sree Narayana College, planned to observe this year's World Ozone Day, and submitted a proposal to the Kerala State Council for Science, Technology and Environment (KSCSTE) for funding. The proposal was sanctioned by the Council and a grant of Rs. 13,000 /- was sanctioned.

Reoort of Womens' Study Cell

Women's Study Cell of Sree Nrayana College has been set up with an aim to sensitize students on gender related issues through workshops, seminars and awareness campaigns on women's rights and related issues like violence against women and women's health.

Women studies is the study of woman and gender in every field. Women study unit place an active role in the institution by empowering the girls fostering cordial relation among the student community and thus creating an ambience of amity and cordiality in the campus. WSU, provides motivation, instills confidence, creates awareness regarding the legal and gender rights, sensitizes on social issues, empowers them to take the right decisions in life and career, thereby molding them into the recipient individuals and responsible citizens. Women's study unit of the institution acts primarily as a catalyst by empowering the girls of the campus to realize their full potential, to exercise their rights and power as the active agents of social transformation in the nation building process. WSU provides them with unique opportunities and extemporany guidance to make them committed to the challenger of question the myriad in equalities that prevail in their surrounding society and wider world outside.

The prime activities, and programmes aimed numerous awareness programmes enlightening thoughts and lectures by dignitaries, food fests conducted annually intending to break all gender stereotypes, multitude of women's club activities in collaboration with the college union, quiz, elocution, poster designing contests on themes related woman, International women's day celebration, cultural programmes such as flash mob performances and group choreographed dance items that validate their self-esteem as well as shatter their inhibitions. But due to this year's situation and also Covid pandemic, we are not able to fulfill many of the events as planned.

The women study Unit of the college is an important part of the club activities by women faculty of our college. It proposes to vouch the security and intellectual pursuits of girl students, organizes training and provides

intellectual facilities to them. A large group of dynamic students are joining for the women studies during the academic year with revived interest in the activities of women study unit.

This year a total of 42 students were the members of the unit from different departments of our college. Along with this year's activity, there conducted two activities namely, a photographic competition on the topic **"Thozhilidathe Sthree"** and an essay writing competition on the topic **"Sthree Saktheekaranam"**. Both are conducted in online mode in the month of March, 2021, due to the Covid Pandemic situation.

Report of the Performing Arts club Activity

The Performing Arts club organized a brief portrayal on 'Kerala Nadanam' and live demonstration on Customary practice of 'Hasthamudras' by Smt Rajani Vijayam as the resource person.
