

## **Report of Planning Forum and Peoples Planning Forum**

Mandatory clubs of the college, Planning Forum and Peoples Planning Forum, jointly organised an awareness programme about decentralized planning on 26<sup>th</sup> march 2022 at 6 PM. Ms. Anila. T, Research Officer, Kerala State Planning Board has taken a lecture on Decentralized Planning and Development in India. According to her, the beginning of decentralized planning process was started even before independence. Immediately after independence government of India through the inception First Plan, the importance of decentralized planning was emphasized in order to achieve active people's participation in the planning process. In 1957, the Government appointed Balwant Rai Mehta Committee which recommended constitution of elected statutory local bodies with its required resources, power and authority along with a decentralized administrative system operating under its control. Accordingly, the Panchayati Raj System was introduced in India. The resource person has articulated much about the Peoples Planning Programmes in Kerala. In the beginning of the ninth plan, the Government of Kerala took a bold decision to devolve 35 percent of the state development budget down from a centralized bureaucracy to local governments where local people could determine and implement their own development priorities. This was implemented through the People's Plan Campaign (PPC) under the joint supervision of the Department of Local Self-Government and State Planning Board. Dr. Suchitra Devi S welcomed the gatherings and in the welcome speech she spoke about the pertinence of Planning Forum and Peoples Planning Forum in the colleges. Dr. Kumar S P, coordinator of the two clubs delivered vote of thanks.

**Attendance:** Forty one students including all club members attended the seminar.

**Students Feedback:** Majority of the students expressed satisfaction in terms of communication skill of the resource person as she spoke both English and Malayalam to explain various concepts. Some students expressed bit concern about some technical aspect of the session but she rectified this in the question answer session. Overall satisfaction of the students was high.
